SUBJECT: Urgent Request for Data on Berlin

A list or map distinguishing crossing points open to vehicular traffic from points open to pedestrian traffic is needed. Also indicate where barriers exist for borders of West Berlin with Soviet Zone, East Berlin with Soviet Zone and Sector borders in the city.

25X1A6a

"Soviet Zone and Sector Barriers and Checkpoints," prepared by [redacted] and published by Strategic Division in January 1959 is available here. The following list indicates some points not mentioned in that report or points where locating by coordinates (UTM grid coordinates on AMS map Berlin, 1:25,000) indicated a possibility of error.

US Sector/Sov. Zone

1. Louis Nathan Allee, UU 709087 (coordinates seem wrong).
2. At Stammbahn, UU 767092 (coordinates seem wrong).
3. Wupper Str., UU 827077.
4. Kriemhild Str., UU 851072.
5. Blohm Str., UU 892064.
6. Gross-Ziethen Garden Settlement between UU 942086 and UU 947089. Can the sector boundary be crossed on foot?
7. Field path along Mittenwalder small track RR line, UU 955093. If reference is to Buckow-Rudow line, is spur south from Buckow barriered?
8. Side street from Wassmannsdorfer Ch., UU 966066.
9. Side street from Schönefelder Str., UU 976066.
